Your affiant is employed as an investigator with the Winnebago County Sheriff's Office in Oshkosh, Wisconsin. Your affiant is a sworn law enforcement officer in the State of Wisconsin and has been an internet crimes against children investigator for the past six years. Your affiant has received over 500 hours of specialized training in the investigation of online child exploitation and sensitive crimes and also trains other investigators in undercover online child exploitation investigations.

Your affiant began an undercover internet crimes against children operation utilizing Facebook on October 1, 2019. Your affiant began posing as a 14-year-old juvenile female from Neenah, which is within the Eastern District of Wisconsin. The name on the undercover account is Kylee Marie and your affiant utilizes an undercover photograph provided by an employee of the Winnebago County Sheriff's Office. I am aware that the internet is a facility and means of interstate commerce.

On October 1, 2019, your affiant was accepted as a friend by a user with username Tommy Jenkins. The user's profile picture was that of a fish tank and was known to your affiant based upon a past investigation involving sexual assault of several children. Your affiant was aware of this profile and suspect prior to conducting this investigation. Therefore, your affiant was aware that this profile was utilized by an individual by the name Tommy Lee Jenkins DOB: 01/26/1987. Your affiant previewed the pictures on the user's Facebook profile and saw a plethora of images of the juvenile females involved in the past sexual assault investigation as well as pictures of Tommy Jenkins himself. Your affiant was able to identify Jenkins based upon past interactions with the suspect and his time in custody at the Winnebago County Jail.

At the onset of the conversation your affiant asked Jenkins how old he was and he replied that he was 32. Your affiant informed the user that the profile was 14 years old and the user proceeded to ask the undercover where she lived, to which your affiant replied "neenah". The user stated that he had two step kids that were 2 and 9. Based on previous interactions with Jenkins your affiant knew these to be the juveniles involved in his most recent suspected sexual assault case. Your affiant reiterated the fact that the undercover was 14 to Jenkins stating "do u care im 14 and drink?" to which he replied "no". Your affiant informed the user again of the age of the undercover stating "i dont drive tho im only 14 lol" and Jenkins acknowledged this statement saying "Ya. At your age I

was 15 when I got the first DUI". Jenkins then asked for a picture of the undercover and your affiant sent him another undercover photograph. Jenkins then sent an image of himself. Your affiant was able to identify that image as being Tommy Jenkins based upon my past interactions with him.

Jenkins brought up meeting for the first time stating "If i had the money I would bring you up we're I am at right now and I would so you how a dad should be to you", "if i had the money i would put u on a bus". Jenkins then came up with an excuse for the undercover to give the undercover's parents stating "Ok. Tell her ou need to go see a friends and help her mom and dad for like 2 to 3 weeks. And you would call her ever day. Do she have video call?" Jenkins continued to talk to the undercover about getting a house together and being able to drink as much as she wanted and party. Jenkins continues on by saying "U would be my kid for ever", " I have people that would take care of it with the paperwork".

Jenkins brought up sex for the first time stating "Have you ever had sex with a friend in school or at a party" I replied "ya i have". Jenkins then asked "what pory did you have it in, I need to now", "what port did he put it on to". I replied "O my vagina lol". Jenkins then said "When you get here o will tak to i about that to make shere you are ok down in your private you are a young lady. And i want to make sure you are ok I had a sister did the same thing you are doing".

Jenkins then began to ask for more pictures but with "no shirt no pants" as he put it and that if the undercover did he would send a picture in return. Your affiant proceeded to send Jenkins an image of the undercover in a bathing suit and he stated he would send a picture when he got home later in the night. Jenkins continued to ask for more explicit imagery of the undercover saying "no underwear if you can, is that okay with you if we are going to be that would like to see the good pictures". Your affiant then asked "what is your fav part?!!" to which he replied "front part love you my little one".

Jenkins initially brought up having sex with the undercover stating "1. when you get her would you like to have sex with me" to which your affiant replied "yes!!". Jenkins then said "O need to see if u are going to do it. just pull ur out ur underwear and take a picture", "when you get home take all of your close off after you text me", "be home by 12am or when you get here you will see what a will man can do on you vagina you not had the way that you will say go go babe dont stop", "we will have you over the bed and go go go to you do not what it for 24 to 34 hours before work

and when I get down with work all night long", "we will have sex soon as you get here and u will not what to stop at all and u will not have no close on".

Jenkins then said "I will not have not one thang on it down there when it is in side of your vagina", "have you ever had a toy in side of you or a vibrator on the outside". On Sunday October 6, 2019, Jenkins sent the undercover an image of a male's erect penis with a hand at the base and stated "can you send your picture now", "would you like me to come up to Wisconsin and get you and we could go see different thanks in the United States", "Can I come to you and then we will go some were" to which your affiant replied "Yess".

Jenkins then stated "Send me the picture" to which your affiant replied "what picture". He replied "of your vagina", "a picture of you naked". Jenkins continued asking for naked images of the undercover stating "I want the one of you naked", "go to the bathroom and take a picture with ur pants and underwear down and send it to me". Jenkins then said "I will need to take a shower bafor we do one thang with sx I will need a shower before we have intercourse, do I get to play down by your vagina when I get there". Your affiant replied "yea for sure!".

Jenkins then informed your affiant that he had started walking from where he was in Whitetown, Indiana, to Neenah, Wisconsin, in order to have sex with the undercover. Jenkins detailed the trip stating "Whitetown Indiana 371.3 miles 2-4 days I will tell you when i get to neenah 108 hours by walking and by bike I am liking at 30 hours", "before we go out of neenah we will need to do it one tome". Jenkins informed me that he was almost in Wisconsin and that he would tell me when he got to Wisconsin.

Throughout the course of the undercover conversation, Jenkins sends images of his travels to include photographs of exit signs, "selfies" at various locations with timestamps, and landmarks such as churches.

On October 10, 2019, today's date, Jenkins informed your affiant that he had made it to the State of Wisconsin. Jenkins stated that he was currently in Milwaukee and that someone had purchased a bus ticket for him to get there. Jenkins went on to describe how he wanted to have multiple children with the undercover and that he would like to have the first one within a year's time. Jenkins then said that he wanted to "have 500 kids before we are with GOD". He also tells the undercover "don't play to hold tonight", "with ur vagina much the next two day lol".

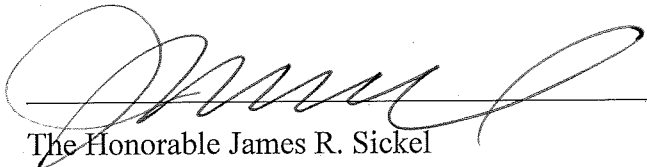

Based on my training and experience and the facts as set forth in this affidavit, there is probable cause to believe that Tommy Lee Jenkins, has committed acts in violation of Title 18, United States Code, Section 2422(b) "use of a computer to attempt to entice a minor to engage in sexual activity."
